

# YELLOW MODULE SESSIONS

**One-hour online sessions.**  
No registration needed!

**ICER - Pro**

## 01

**MARCH 10, 2025**  
**10 AM (CET)**

### **Session 1. Introduction to the EU funding** Link: <https://shorturl.at/tSs7A>

This session is a very brief introduction to the European subsidy landscape. It provides a general overview and addresses the temporality of EU funding, how funding is being set-up, what are programmes, how funding is made available. The session is meant for beginners with limited to no knowledge about EU funding.

## 02

**MARCH 24, 2025**  
**10 AM (CET)**

### **Session 2. Horizon Europe: Keys of the EU Research and Innovation Framework Programme 2021-2027** Link: <https://shorturl.at/JDwEW>

Horizon Europe is the European Research and Innovation Framework Programme for 2021-2027. It is a competitive funding programme to keep Europe at the forefront of global R&I, to create a common space for R&I, and to reinforce mobility of ideas, knowledge, and people. On this webinar, you will learn the structure of Horizon Europe, its priorities, pillars, and missions, amongst other of its characteristics.

## 03

**APRIL 7, 2025**  
**11 AM (CET)**

### **Session 3. Other EU Funding Opportunities** Link: <https://shorturl.at/p0LVH>

This session will introduce you to research and development funding opportunities – other than Horizon Europe - funded by the European Union. Especially the Erasmus+ and the Interreg-Programme will be highlighted as they are most relevant funding opportunities for Universities of Applied Sciences. But also the Creative Europe, Digital Europe and EU4Health-Programmes will be briefly introduced.

## 04

**APRIL 14, 2025**  
**10 AM (CET)**

### **Session 4. Horizon Europe: Funding opportunities: start building your participation strategy** Link: <https://shorturl.at/rfcRW>

Are you interested in participating in Horizon Europe but unsure where to start? This webinar will guide you through the “EU Funding & Tenders Portal” of the European Commission, helping you navigate its key features and efficiently identify relevant calls. You will also discover essential project search tools, including Horizon Dashboard, CORDIS and EURAXESS, to explore past and ongoing projects. Additionally, if you want to participate in a call, maybe you will need a partner. We will introduce you to the partner search tool within the “EU Funding & Tenders portal”, making it easier to find the right partners for your project.

## 05

**MAY 5, 2025**  
**10 AM (CET)**

### **Session 5. Getting on board: Becoming a strategic partner and project leader** Link: <https://tinyurl.com/2tpdpab9>

Want to elevate your role in Horizon Europe projects? On this webinar, you will learn how to position yourself as a strategic partner and take the lead in project proposals. We will provide you with the key aspects to become a partner and identify potential coordinators. Moreover, you will learn the pros and cons of becoming a coordinator. You will also gain insights into consortium building. Whether you aim to strengthen your participation or step up as a project coordinator, this session will introduce you to the knowledge and tools to succeed in Horizon Europe.

**ENCARE - Enhancing Capacities of UAS staff for more successful EU funded Research**
