* The internship can be completed before or after the year in Rhode Island

One semester at URI (15 US-Credits/30 European Credits) qualifies as a full semester. The General Education categories can be searched through the URI eCampus registration system. There are many different options within each so students have a wider variety of courses to choose. The Business electives can be any courses offered by the College of Business. Please be sure to check the prerequisites for the course. The IBP Coordinator can help to assess which classes you are able to take and to provide more information as to the course content and structure.

Section ANNEX II
