Exam (title) and examination date

### **Binding registration for exam**

Due to the temporary outage of IT services at HAW Hamburg, the examinations committees for the departments of Biotechnology, Health Sciences, Biomedical Engineering, Nutrition and Home Economics, Environmental Engineering, and Process Engineering have decided to cancel all previously submitted electronic registrations for those exams still outstanding as of 3 January 2023.

As an alternative, exam registration will take place using this registration form (in contrast to the process outlined in Section 18, para. 1 APSO-INGI). I agree to this process.

By signing this form, I provide my binding registration for the exam and confirm

- that I have fulfilled all of the formally required prerequisites for taking part in the exam (completion of all pre-exam assessments, attendance at the module covered by the exam)
- that I was able to prepare appropriately for the exam despite the limitations to the IT services at HAW Hamburg
- that I am not experiencing any symptoms of illness that could limit my mental or physical performance.
