

Information Engineering (Bachelor)

BASIC STUDIES			
1st study year	1st semester	Mathematics, Computer Science, Electrical Engineering and non-technical subjects	
1st study year	2nd semester		
2nd study year	3rd semester		Extensions in Electrical Engineering, Digital and Processor Systems, Signals and Systems and Computer Science
2nd study year	4th semester		
EXTEND STUDIES			
3rd study year	5th semester	Industrial Placement oral presentation lecture: Scientific and Project Work	
3rd study year	6th semester	Additional Extensions to Information and Computer Engineering	
4th study year	7th semester	Elective Modules and Project Bachelorthesis	
BACHELOR ENG.
