

Student Counselling Office (Zentrale Studienberatung)

List of pros and cons for the different options

The classic list of pros and cons can be very helpful when making a decision. Write down all of the arguments for and against each option. Then assign a value of 1 to 3 to each argument, depending on how important the argument is to you.

	<i>What are the arguments for this option?</i>	<i>What are the arguments against this option?</i>
Option A
