Projects are like women:

Can't live with them

And can't live without them!

Projects are like men:

Hard to live without them

*Cause they help to increase
our budget !*

*”I keep six honest serving-men
(They taught me all I knew);
Their names are **What** and **Why** and **When**
And **How** and **Where** and **Who?**”*

Rudyard Kipling

BLEKINGE INSTITUTE OF TECHNOLOGY

Blekinge Institute of Technology (BTH)

Swedish National Centre

- BUP course for researchers:
 - How to develop a project?
 - How to write a successful application?
 - Project economy?
 - Project management?
 - Working cultures around the Baltic Sea Region?

www.bth.se

BLEKINGE INSTITUTE OF TECHNOLOGY

Blekinge Institute of Technology (BTH)

Swedish National Centre

- How to develop a project?
 - Project development phase
 - Structuring the idea
 - How do I create a successful consortium/partnership?
 - Where do I find funding?

www.bth.se

BLEKINGE INSTITUTE OF TECHNOLOGY

Blekinge Institute of Technology (BTH)

Swedish National Centre

- How to write a successful application:
 - Demands from funding institution
 - What partners does the project need?
 - What criterias does the project need to follow?
 - How do I need to structure my project?
 - European dimension in EU projects, horizontal issues that need to be approached etc
 - Relating to local, regional, national and EU policies/documents
 - What do the evaluators look at?

www.bth.se

BLEKINGE INSTITUTE OF TECHNOLOGY

Blekinge Institute of Technology (BTH) Swedish National Centre

- Project economy:
 - How to create a successful budget?
 - How big can the budget be?
 - What costs are eligible?
 - How to best distribute expenses between partners?
 - What do the evaluators look at?

www.bth.se

BLEKINGE INSTITUTE OF TECHNOLOGY

Blekinge Institute of Technology (BTH) Swedish National Centre

- Project management:
 - When the project is approved – what happens then?
 - What to think about in negotiations with the EU or other funding institution
 - Consortium agreements
 - Documentation of project – demands from the EU
 - Progress reports and economic reports
 - When the project ends – what happens then?

www.bth.se

BLEKINGE INSTITUTE OF TECHNOLOGY

Blekinge Institute of Technology (BTH)

Swedish National Centre

- Working cultures around the Baltic Sea Region
 - Cultural differences
 - What to think about when working with Swedes, Danes, Poles, Lithuanians, Latvians, Germans...
 - What problems can occur?
 - The up-sides of international cooperation

www.bth.se
