Information Engineering (Bachelor)

BASIC STUDIES

1st study year
1st semester
2nd semester
2nd study year
3rd semester
4th semester
3rd study year
5th semester
6th semester
4th study year
7th semester

Mathematics, Computer Science, Electrical Engineering and non-technical subjects

Extensions in Electrical Engineering, Digital and Processor Systems, Signals and Systems and Computer Science

Industrial Placement
oral presentation

lecture: Scientific and Project Work

Additional Extensions to Information and Computer Engineering

Elective Modules and Project Bachelorthesis

BACHELOR ENG.
