GETTING SAFELY THROUGH THE COVID-19 PANDEMIC TOGETHER

HAW Hamburg information and guidelines for students and instructors

Hamburg University of Applied Sciences
Version: 5 October 2021
POSTERS AT BUILDING ENTRANCES

- You are **authorised to enter HAW Hamburg buildings** if you can prove that you are **vaccinated, recovered or have tested negative** for the corona virus (**so-called ‘3G’ status**).
- Please limit your **stay** at the university to what is **absolutely necessary**.
- Please wear **a medical mask** (surgical mask or FFP2) both **inside and outside the buildings**.
- Maintain a **minimum distance of 1.5 m** from others wherever possible.
- If you have **symptoms of an acute respiratory illness** or other **symptoms that could indicate a Covid-19 infection**, you are **prohibited from entering HAW Hamburg buildings**.
- More information is available in the FAQs: [haw-hamburg.de/en/corona](http://haw-hamburg.de/en/corona)
PLEASE OBSERVE THE FOLLOWING RULES

- **Wash or disinfect your hands** when you enter a university building. Hand disinfectant is available at all entrances.

- Cough or sneeze into a **tissue or the inside of your bent elbow**.

- Dispose of tissues in a closed garbage bin after use.

- Avoid **shaking hands**.

- **If you have symptoms that could indicate a Covid-19 infection, stay home.** Contact your doctor by phone before going to the practice or call the **emergency medical service at 116 117**.

- If you have tested positive, please inform your faculty’s **SPOC immediately**:
  - TI Faculty: fbtwi_info@haw-hamburg.de
  - DMI Faculty: fbdmi_info@haw-hamburg.de
  - W&S Faculty: fbsp_info@haw-hamburg.de
  - LS Faculty: fbls_info@haw-hamburg.de
GUIDELINES FOR THE USE OF SEMINAR AND COURSE ROOMS

- The maximum number of people permitted in the room (indicated on the sign at the entrance) **cannot be exceeded**.

- Participants’ **contact information** will be collected via the darfichrein.de app. Please remember to scan the **QR code at the door** when you enter the room and to check out again when you leave.

- In rooms with windows, the room must be adequately aired out **every 20 minutes**. The air in the room must be exchanged completely. **To do this**, open all of the windows as wide as possible for 5 to 10 minutes.

- In rooms with **automated ventilation systems**, this guideline does not apply and is not indicated on the posters. Automated ventilation systems work with 100 per cent fresh air and ensure the necessary air hygiene.

- Please maintain a **minimum distance of 1.5 m** from others wherever possible.
